Brilliant New Playground

for Burneside

Images have been created to show how we could create a brand new modern and inclusive Play Area in the middle of our village.

These can be viewed at the village noticeboards or on village Facebook pages.

At the moment they are still plans, but we think it would be Brilliant for Burneside and all the residents to try to bring these plans to life.

If you would like to find out more about how you can help, please call or text:

Trish Holt on 07549 855017 or

Burneside Church & Community Newsletter

June 2024

Dear Friends,

As I write this letter, it is exactly a month since I was licensed as Priest-in-Charge of the Beacon Team. And what a busy month it has been! I love the varied nature of this job where I skip from one task to another, one moment praying with those who have been bereaved and the next baptizing a baby or helping a couple to plan their wedding along with getting to know all the children in our local schools. I have met so many people already and have learned so much about all sorts of things I never thought I would need to know!

This week I have spent a couple of my lunchtimes standing next to Windermere cheering on the Class of 2024 as they run 10 marathons in 10 days for the Brathay Trust. It's 3 years since I completed this event now and as I've watched them this week I can still hardly believe that I did it. It was a huge commitment of training and fundraising, but something I will never forget. There have been times in the last month where I've felt like I'm in the middle of a marathon as I keep plodding on through all the new learning and trying to make my diary look like something reasonable! This verse from the Bible has encouraged me to keep going on days when everything is getting a bit too much...

“.let us strip off every weight that slows us down...And let us run with endurance the race God has set before us.” (Hebrews 12:1)

This can be applied to all sorts of things, not just marathon running. Life certainly has its ups and downs and I am aware of many who may be feeling that daily life is an exercise in endurance at present. Illness, family difficulties, financial worries, growing older, and many other things can cause us to lose hope and feel weighed down by life and its burdens. God is in all of this with us and is interested in all the things that concern us no matter how big or small they are. This verse reminds me to 'keep on keeping on' even when the going gets tough. Perhaps it might encourage you this month too?

Best wishes
