Letter from Rev Melanie Greenall,
Minister at Sandylands and Stricklandgate Methodist Churches

Dear Friends

It must be nearly autumn as the TV channels entice us with their new schedules, those programmes 'we really cannot miss' and the country divides into 'X Factor' or 'Strictly' camps! Perhaps you like both or neither.

I'm more of a Strictly fan myself which is very odd as I don't think I have much sense of rhythm at all.

It amazes me how some celebrities soon look like naturals (granted some have had prior experience) while others look decidedly awkward. Who can forget Ann Widdecombe, though I'd like to. We may never be likely to end up on Strictly nor perform at the Tower Ballroom, Blackpool (on my bucket list) but we are invited to join in a dance of sorts, a dance God invites us to be part of, the dance of life, learning to move in harmony with the Divine One and with each other.

There are lots of steps to learn and at first it will seem strange and daunting and we'll feel awkward, more like an ugly duckling than a beautiful swan. Just witness the behind-the-scenes footage of the celebrities making their first tentative steps, tripping and despairing. Do you do that in life? I know I do.....often.

However, the matches are made on Strictly some work so well that by the end of the series the pair seem to move not as two people but as one unit, expressing the beauty of the human body and the joy of music. Its a sight to behold and celebrate as when Rose Ayling-Ellis won 2 years ago, despite being deaf.

With similar practice and trust in our divine dance partner we too can become such a sight and this world could be transformed.

Thoughts Graham Kendrick sums up as :

Teach me to move in the power of your Spirit

Teach me to walk in the light of your presence

Teach me to love with your heart of compassion

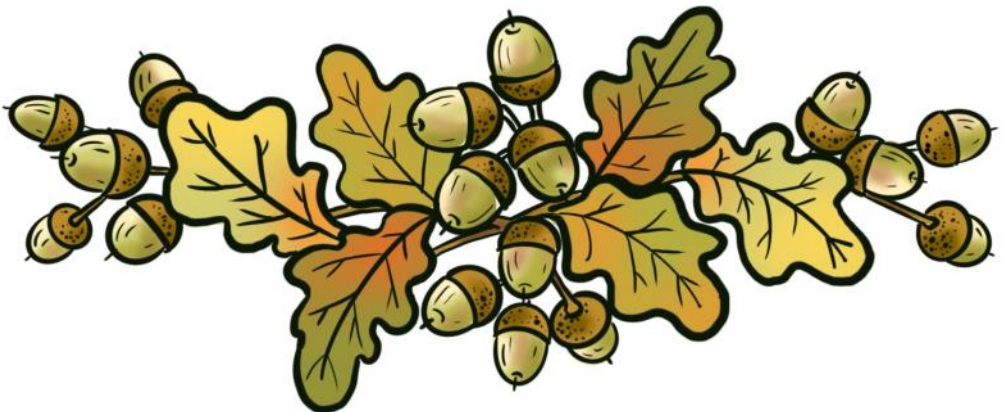

Teach me to dance to the beat of your heart

I may never be on Strictly but dancing to the heartbeat of God would suit me just fine.

Keep Dancing!

Grace and Peace

Melanie

Anna Chaplaincy, named after the faithful widow Anna, who appears with Simeon in Luke's gospel, is a national organisation offering spiritual care for older people and their carers. It is supported by The Bible Reading Fellowship.

The Kendal team offer monthly services to 5 Nursing/care homes, offer home visits and communion to those who are housebound and runs The Kendal Tea Service at Holy Trinity Kendal Parish Church on the 3rd Thursday of every month commencing at 2.30pm. This is a short dementia friendly service followed by refreshments, fellowship, and an optional craft activity.

The Kendal Team is currently quite small, we live in an area with an ever-increasing elderly population and wish to be able to ensure every person in every care home and every elderly person living on their own has their pastoral needs met and we are there for people of strong, little or no faith.

Is this a ministry that touches your heart? There are several ways whereby you could find out more

Contact Beverley Moore, Anna Chaplain for Kendal at: bevmoores@annachaplaincy.org or telephone 07507749238

Come to a Tea Service and chat to Beverley or the team of Anna Friends and volunteers

Join a ZOOM Introduction to Anna Chaplaincy session presented by the national team. This meeting via Zoom will present the bigger picture about the ministry and is led by Debbie Thrower, who pioneered Anna Chaplaincy. The next one will be on **Tuesday 14 November, 10.30am-12 noon**. Debbie Thrower typically presents the vision for Anna Chaplaincy, its history, and principles. **Email me on m-stevens@hotmail.co.uk** for details of how to join.

I joined the Anna Chaplaincy team a year ago as an Anna Friend. It was a very new venture for me, but I have been inspired by the vision and trust God to equip me for this ministry. There is excellent training available and ongoing support overseen by Beverley and Churches Together in Cumbria.

MECHANICS FOR AFRICA (MFA)

The value of education

In the year 2000, a young couple from a church in Surrey were visiting Zambia when they encountered young men standing idly around on street corners .

Unfortunately these young men were unable to pursue further education or any vocational training due to the cost that would be incurred for them to attempt such a step.

It was from this realisation that a vision developed to enable young people to gain access to vocational education in Zambia. The plan was to start a college in Ndola, within the copper belt of Zambia, to train young Zambians as motor mechanics, along with essential life skills, within a Christian environment.

In 2001, land on the outskirts of Ndola was purchased and 2002 saw the foundations of the college building and workshop being laid.

In 2003 MFA Zambia was born. And January, the start of the academic year, saw the intake of the first sixteen students ready to be taught and given practical experiences as they prepared for the City and Guilds qualification in Motor Mechanics - a two-year course. The main criteria for acceptance on to the course were the determination and perseverance necessary to gain adequate skills in addition to competence in reading and writing English . Students also had to raise 20% of the total fees to be considered. This was seen as having a sense of responsibility and ownership of their learning. The majority of the fees was funded by MFA through donations, sponsorship, and charity.

The main vision of the founders was to provide young Zambians with the opportunity to gain employment through education.

Many students who attend are orphans living with extended families but they manage to raise the funds to meet the criteria with their families' support, or help from local churches. The college provides much needed meals – who wouldn't need breakfast after walking for maybe 2 hours to get to college?! The on-site garden provides the vegetables and fruit that are served.

This training has provided a steppingstone for others. Once qualified and in employment, some of the students have been able to support their siblings on to the ladder of education through MFA .

Approximately 80% of graduates from the course have obtained employment which has had a positive knock-on effect to the economic status of their families.

Things have developed and students now study for a Zambian motor mechanics qualification. Their training at the MFA College also includes life skills, computer education, and Bible teaching.

. Additional buildings and facilities have been added and the college now caters for a total of 100 students over the two-year period.

After three successive British Couples leading the college and facilities, it is now led by a Zambian Christian, Gwanire Kalombe, who had previously been a social worker in London for ten years.

As this educational enterprise develops, it is hoped that the total running of the college will be the responsibility of Zambians, with support from the British MFA trustees. Currently, all the college staff members are Zambian nationals.

It is hoped that in the near future we shall be able to welcome Gwanire in person to South Lakes, when she visits the UK.

What next?

Are you asking this question?

We are running a course in your area that might help you find the answer.

The name of the course is: **SHAPE**

The aim:

This course aims to enable people to understand the unique **SHAPE** God has made them, the gifts he has given them and how he might want to use them.

This is so each person finds the ministry to which God is calling them in the Church and in the world. It aims to enable participants to live and serve with more joy, satisfaction and fruitfulness. This should build a healthy growing Community, and will affect the way each person engages with their family, friends, job, local community, and voluntary / leisure activities.

Perhaps you have this niggling feeling that you should be doing something different but you are not sure what. Or you may be at a decision point in your life; looking to change direction in your work, thinking about college, or towards a new chapter in your home life. It may be that your children are leaving home, you are retiring, or just feeling that a different kind of volunteering in the church or in the community might be the next step

.....

The core topics

SHAPE has a holistic approach. The sessions involve – looking at:

Your	Spiritual Gifts	(God's unique gifts to you)
	Heart's Desire	(what motivates and excites you; what you love to do)
	Abilities	(your talents, knowledge and skills)
	Personality	(your character, personal qualities and strengths)
	Experience	(your life experiences and what you've gained from them)

**We will be meeting at Holy Trinity
Church, Kendal (LA9 5AF)
Monday evening 7 – 9pm
from 9th October for 6 weeks.**

If it is not you perhaps you know somebody else who is in this positionplease tell them about it.

Prayer and Bible Reading

Dear Friends

Urgent Prayer

We have so much for which to be thankful in the UK, including our freedom of worship. We were appalled to hear of the persecution of Christians in Pakistan – the homeland of Aneeta and Amar - where homes and churches have been burnt to the ground, Pastors shot and girls and women raped. The situation is worsening. Please pray for our Christian brothers and sisters in that land.

Bible Sunday – 29th October

At the recent coronation the King was given a Bible with the words *‘the most valuable thing that this world affords’*. As Bible Sunday is celebrated this month, let’s ask why we should read the Bible?

The Bible isn’t a single book, but a library of 66 books, composed by some 44 writers over 1500 years in a range of styles including history, poetry, prophecy, letters and apocalyptic (looking the end times). Despite having a number of different writers, it claims one authority – God Himself! *‘All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work’* (2 Timothy 3:16). The Bible is inspired (*‘the word of God in the words of men’*) and equips us to live for God in every aspect of our lives. We also have the promise of the Holy Spirit to guide us when we read: *‘when the Spirit of truth comes, He will guide you into all truth’* (John 16:13).

How should we read the Bible? Let's consider the following guidelines:

Right time: We need a regular routine, which will meet our needs. This will vary according to our circumstances e.g. a parent at home with young children, somebody with a demanding job or a retired person.

Right Place: We need to find a space where we can be undisturbed (e.g. lounge, bedroom, train or kitchen).

Right Version : We need a version of the Bible which we can readily understand and use. A number of versions are available (e.g. NIV, New Living Translation, Good News Bible), as well as Bible apps we can access on our phone.

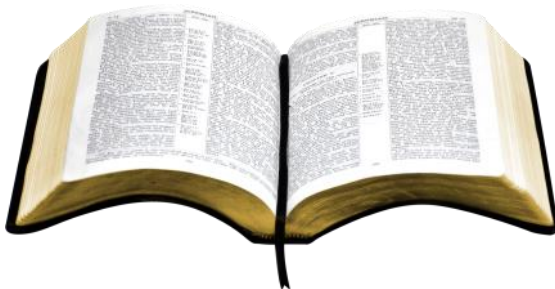

Right Help: Reading notes also help us to understand a passage and apply it to our lives

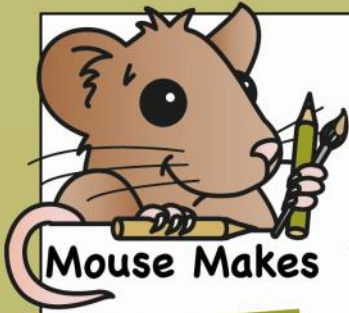

Market Place Books in Kendal – just beside the URC Church – has a good selection of Bibles and Bible reading notes which you can browse to see which one you can best get along with. They have a good selection of Bible reading notes as well. There will always be someone there to advise and help you choose the right one.

Let's get reading!!

With love and prayers

JERICO

ONCE, A LAWYER TRIED TO TRICK JESUS WITH A CLEVER QUESTION.

JESUS REPLIED BY TELLING THE LAWYER A STORY.

A MAN WENT FROM JERUSALEM TO JERICO. ON THE WAY...

HE WAS ATTACKED BY ROBBERS!!

THEY TOOK EVERYTHING HE HAD AND LEFT HIM FOR DEAD!

LATER A PRIEST PASSED BY, BUT DID NOTHING TO HELP - NOR DID THE RELIGIOUS MAN FROM A TEMPLE!

BUT A MAN FROM A FOREIGN COUNTRY STOPPED TO HELP THE INJURED MAN. HE DRESSED THE MAN'S WOUNDS AND EVEN PAID FOR HIM TO STAY AT AN INN.

JESUS THEN ASKED "WHO WAS THE NEIGHBOUR?"
