

As there was no PC meeting in June here is my first **Chairman Report**:

May 2021 saw Pennie leave the Council and on to pastures new. This led myself to be appointed as the Chairman, with no Vice-Chairman. It has been difficult to juggle this with a full time job, family farm and still trying to have a social life. Do I want to do it again, I'm not sure!

I would like to thank Kevin, who has been at my side, pointing me in the right direction, making sure we do everything correctly. You have become a good friend to me Kevin. Whilst on thanks, to the Councillors, well done for sticking at it, it is not easy, especially when we are short by 4 Councillors. I would also like to thank the District and County Councillors, who have provided help and support.

What has the Parish Council achieved in the past 12 months?

- Regularly reporting of issues to CCC and SLDC.
- Council Asset Register created on online mapping- ParishOnline.
- A new litter bin for Bowston was installed.
- A grant from CCC was achieved and a new bench installed at Steeles Row.
- Worked with The Anglers Trust to ensure the play park was repaired after the SLDC inspection.
- A Community Fridge is now in the Church Corridor. A big thanks to those that made it possible.
- New village allotments are now beginning with the first patches been dug, managed by a community allotment group. Again, big thanks to all involved.
- An apple tree in memory of Prince Phillip was planted with children from St Oswald's in the Churchyard.
- Continuing to look after Parish Council planters.
- The Council organised for the Willink Field to be regularly mown by Chris Rabone, who cuts other areas in the village.
- The old garage at Bowston was discussed with the owner and has now been removed.
- Pollinator areas; which included working to get cutting regimes altered and the sowing of seeds. These are to continue in 2022.
- The Parish Council used CIL funding to contribute to renewing a second section of the school fence.
- The Council contributed to the 175-year anniversary celebration of the Lakes Line after a request from Roger Leather, an event was held in the Bryce earlier this year.
- SLDC began to renew their Local Plan. Paper documents were sifted and printed for residents to look at in the Church corridor and provide comments. An extended public participation was held and a meeting organised to view the submitted development sites. Comments gathered were included in the Parish Council's extensive response to SLDC.
- In September the Council voted to oppose any new development that is to be connected to mains sewage until the system is fit for purpose.

Continued over....

Jubilee

I don't think anyone anywhere in this country can fail to have been affected in some way by the Jubilee celebrations. Apart from anything else most of us were given an extra days holiday, and even if you were one of those who were having to work, I imagine that the Jubilee celebrations still affected you even if it was just that you had to take a slight detour because of road closures for celebration lunches and teas!

We of course were and are celebrating the Platinum Jubilee of our Queen, having been on the throne for 70 years. However, the idea of Jubilee is much older than this. In the Bible, the concept of the Jubilee was a special year when wrongs were forgiven and debts written off. The book of Leviticus explains that a Jubilee year occurs every fifty years. During this year slaves and prisoners were freed, debts were forgiven and the mercies of God would be particularly manifest.

Leviticus 25.10 says: *'Consecrate the fiftieth year and proclaim liberty throughout the land to all its inhabitants. It shall be a jubilee for you; each one of you is to return to his family property and each to his own clan.'*

Jubilee year was to be treated like a sabbatical year, with the land lying fallow, but it also required the compulsory return of all property to its original owners or their heirs and the freeing of all Israelite indentured servants.

So in this very special Jubilee year, it is an opportunity to ask: 'who are you indebted to?'

It could be an old school teacher who has enabled you to get where you are today, a midwife who delivered a baby or someone who prayed steadfastly for you when you needed it – just someone to whom you feel 'indebted' because of their kindness and help.

With our busy lives it is often easier to text a quick 'thank you' but wouldn't it be great to take the time and **hand-write** a letter to that person to thank them for everything they've done. After all, don't we all appreciate a 'thank you' card? Or maybe to even make that special effort and go to thank them in person and let them know what it was that they did for you.

I hope you all continue to have a wonderful Jubilee year.

With best wishes

Tricia

FAITH IN THE VILLAGE

Prayer Tree

Our Prayer Tree, situated inside the entrance to the Church, is for you to use for Prayer, for yourself, a family member or a friend. Please write a few words on one of the prayer tag's provided and hang it on the tree, or, choose a ribbon and tie it to the tree.

If there is someone or something you'd like us to pray for please do let us know.

All prayer request's will be read out in church, each Sunday.

AT 9.30 AM**

A BIG THANK YOU TO EVERYONE WHO HELPED TO
MAKE THE JUBILEE CELEBRATIONS IN THE VILLAGE A
WONDERFUL WEEKEND TO REMEMBER!

HELP SAVE OUR HEDGEHOGS! The great news is there are lots of hedgehogs in the village— the not such great news is that they are still getting run over as they cross the roads, this seems especially around Howgill Houses area.

Please keep your eyes peeled as you drive around the village in the evenings, they head off to find food and may be crossing the road— please slow down just in case and help us keep our spiky friends safe!

If you would like more information on how to help Hedgehogs please visit The Wildlife Trust or <https://www.britishhedgehogs.org.uk/>

BOWSTON WEIR REMOVAL: DELIVERY PHASE A BOWSTON UPDATE

ISSUE DATE: Friday 6th May 2022

South Cumbria Rivers Trust have been working with design and technical teams to arrange the removal of Bowston weir, expected to take place this summer 2022.

We want to inform you that enabling works, from the left bank downstream of the weir has begun. Tree removal, as specified in our Tree Impact Assessment, was carried out in May. This will allow for the delivery work to begin promptly Mid-June 2022. Our contractors are due to be on site for mobilisation at the beginning of June to set the site boundary and the footpath diversion will be established thereafter. We will continue to update on our website.

Regards, The SCRT Team

Please contact us at admin@scrt.co.uk if you have any questions and we will do our best to answer them as soon as possible. All information and updates to date can be found on our website: <https://scrt.co.uk/what-we-do/current-projects/bowston>

Continued....

After a long process with CCC the Memorial Bench was finally able to be installed by Mr Batty's family.

-The Parish Council awarded a grant to the Millennium Green for the removal of trees affected by Ash Dieback.

-The Council contributed £750 towards the fencing of the allotments.

-The Dapper Dick award was presented to Mr John Peatfield for his contributions to the Community and Council.

-The defibrillator at Spring Holme was re-registered and a training event with the Fire Service held at the Bryce.

-The Council awarded a grant to the Cricket Club for equipment.

-The Council contributed £500 towards the Clean the River Kent Campaign. Councillors have also helped volunteer to take water samples and attend meetings. It is expected that this will continue in the Parish in the coming year.

-THE JUBILEE: Events planned in June, headed by Linda and Kirsty from the Cricket Club. These will include an afternoon tea, village sports and Jubilee party. The Council agreed to contribute towards these and Councillors have been attending planning meetings. The Council has also purchased Jubilee mugs for the school children, a Beacon will be lit and a tree for the Green Canopy planted in Autumn.

What are some of the ongoing projects for 2022?

-Village Entry signs- we began the process a very long time ago! We seem to be getting closer with a contractor organised and now a design from CCC Highways who will make the signs.

-Traffic plan- again this was very badly effected by Covid-19. The Council has met with CCC Highways on several occasions, along with Crook Parish Council. Proposals have now been received for the pinch point at Bonningate and also Bowston, where cars are parked. Burneside et al is still in early stages, CCC Highways recently had monitoring tubes in the village to gather data for this.

-Toilet block & Bowston boat yard areas- Despite many efforts these are still areas of concern to residents and the Council.

-Village shelter project- this was brought to the Council several months ago; it is hoped that some time can be allocated to looking into this project soon.

-Bowston Weir- permission for removal has now been granted by SLDC, there are still concerns by residents and the Parish Councils Biodiversity Group, particularly regarding the loss of habitat.

William Huck

Chairman – Burneside Parish Council
